German Drishty

THE CHALLENGES WE NOTICED

After teaching thousands of learners for eight years, we noticed the same two challenges again and again:

1. Staying consistent

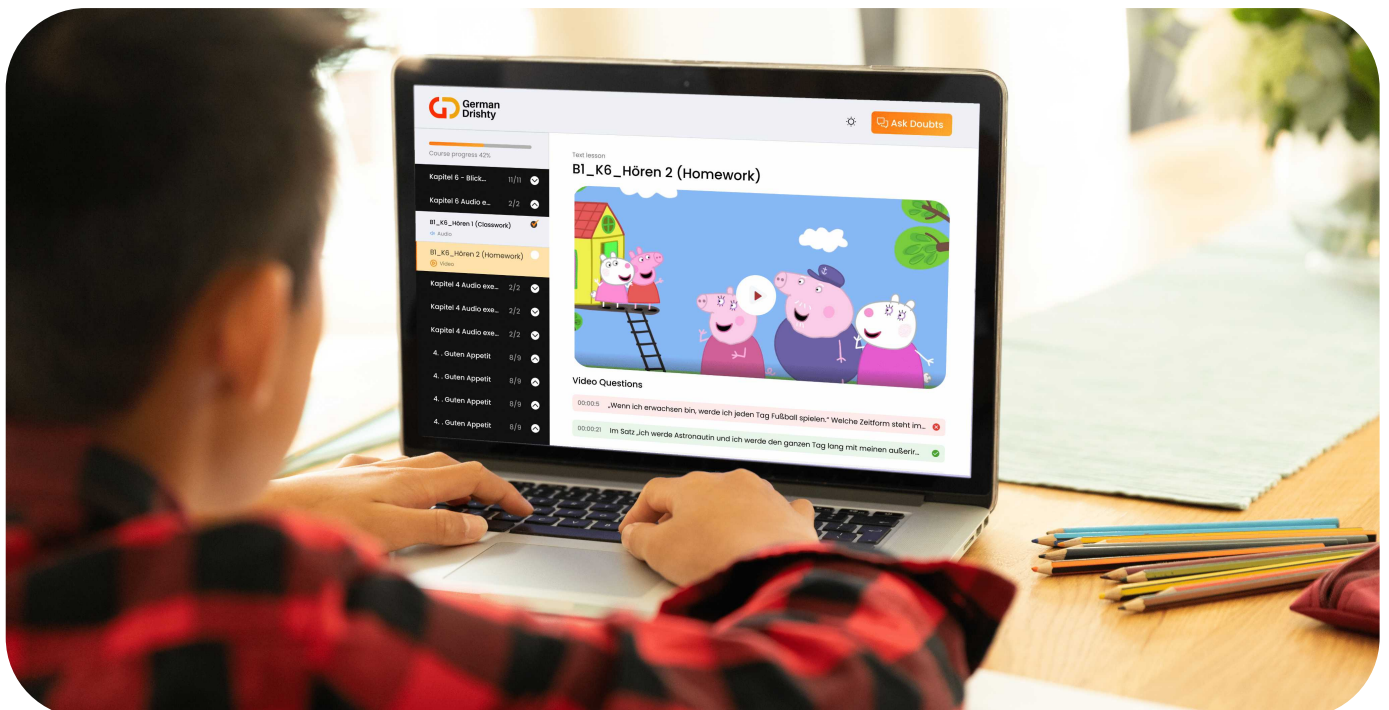

Lessons pile up, and life gets busy. Because of this, practice often slips away.

2. Staying Motivated

Boring textbooks and basic apps can make learning dull. This may leave you feeling alone and unmotivated.

THE SOLUTION WE BUILT

Founded in 2023, German Drishty created the **360° Learning Method** to remove those challenges. It keeps you on a clear path and makes every step engaging.

How the 360° Method Works for You?

The core of our method is our Hybrid LMS – a single login that blends teaching with technology:

- ✓ **Live, interactive classes** every day so you can ask questions in real time and hear real German.
- ✓ **Weekly Masterclasses** that dive into grammar and speaking – two areas many learners find tricky.
- ✓ **Assignments every two chapters** to help you remember what you've learned.
- ✓ **Discussion boards inside every Lesson, quiz or game** where you can swap tips and ask questions.
- ✓ **A warm community of classmates and mentors** ready with voice notes, tips, and cheerful support.
- ✓ **Friday practice sessions** that review everything from Monday to Thursday and solidify your progress.
- ✓ **Gamified challenges & leaderboards** that turn revision into friendly competition.
- ✓ **Instant access to class recordings** in LMS Dashboard, so you never miss a lesson.
- ✓ **Personal progress reports and gentle reminders** when life gets busy.

What Our Students Say

“ I’ve had a wonderful learning experience with German Drishty. One of the things I truly appreciate is their flexibility—I had to miss several A2 sessions due to personal reasons, but the team was always accommodating and ensured I didn’t fall behind. The teaching style is another highlight. Concepts are broken down in a simple, structured way, making it much easier to understand and remember, especially for beginners. They often use memory techniques and clear rules, which really help in grasping grammar and vocabulary. A special mention to Jitender Sir, whose vision and passion for teaching German clearly reflect in the classes, and to Khushi, one of the teachers, for her patient and effective teaching style. Bringing the world closer, one German word at a time. Highly recommended for anyone looking to learn German in a supportive and well-structured environment!

I passed my A1 exam with a score 90. All thanks to my mentor, Ms. Vaishnavi. Initially, when I was looking for a course and institute, a friend suggested Germandrishty to me. I contacted them and attended their demo class, and that was it. I immediately enrolled myself and since then my journey has been very enriching and fulfilling. The methods used in the course are very engaging and effective. They are very professional in their approach and very supportive. All my personal queries were taken care of. I was guided through each and every step. So my experience with them has been very good and I would highly recommend it.
