German Drishty

THE CHALLENGES WE NOTICED

After teaching thousands of learners for eight years, we noticed the same two challenges again and again:

1. Staying consistent

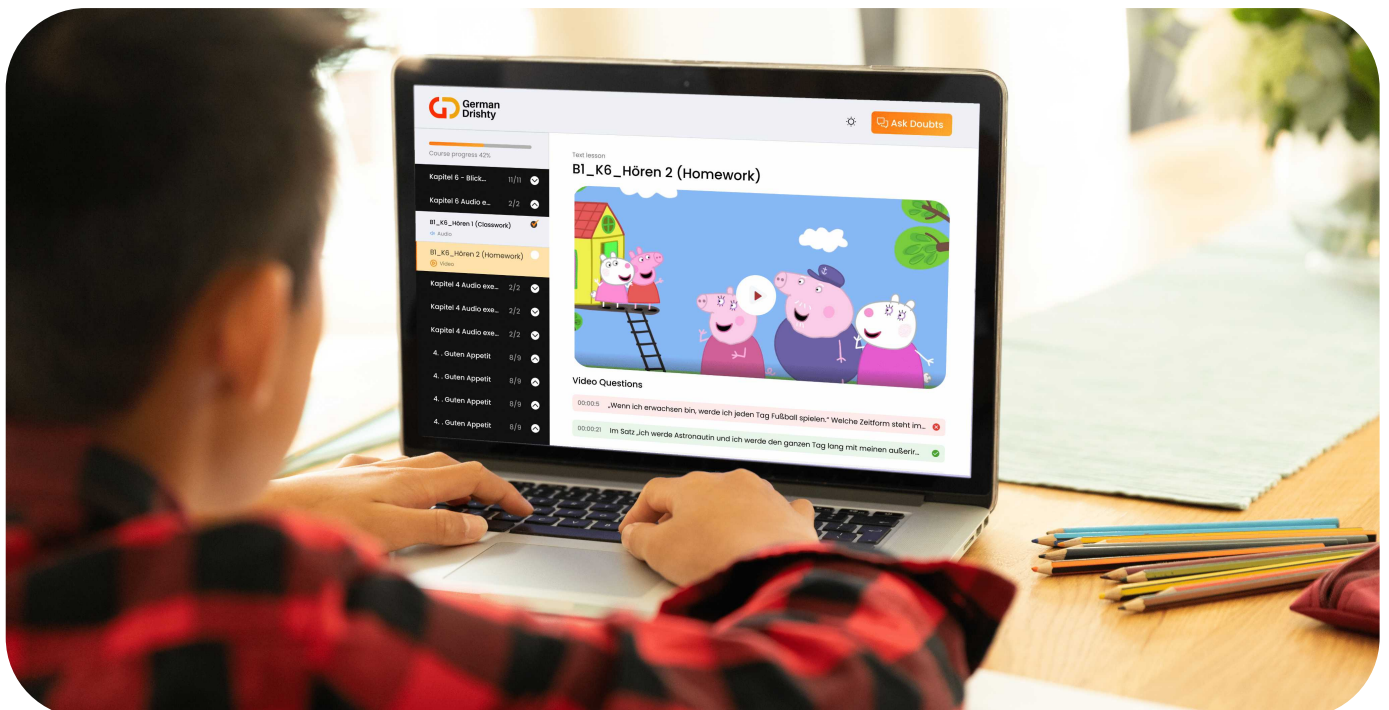

Lessons pile up, and life gets busy. Because of this, practice often slips away.

2. Staying Motivated

Boring textbooks and basic apps can make learning dull. This may leave you feeling alone and unmotivated.

THE SOLUTION WE BUILT

Founded in 2023, German Drishty created the **360° Learning Method** to remove those challenges. It keeps you on a clear path and makes every step engaging.

How the 360° Method Works for You?

The core of our method is our Hybrid LMS – a single login that blends teaching with technology:

- ✓ **Live, interactive classes** every day so you can ask questions in real time and hear real German.
- ✓ **Friday practice sessions** that review everything from Monday to Thursday and solidify your progress.
- ✓ **Weekly Masterclasses** that dive into grammar and speaking – two areas many learners find tricky.
- ✓ **Gamified challenges & leaderboards** that turn revision into friendly competition.
- ✓ **Assignments every two chapters** to help you remember what you've learned.
- ✓ **Instant access to class recordings** in LMS Dashboard, so you never miss a lesson.
- ✓ **Discussion boards inside every Lesson, quiz or game** where you can swap tips and ask questions.
- ✓ **Personal progress reports and gentle reminders** when life gets busy.
- ✓ **A warm community of classmates and mentors** ready with voice notes, tips, and cheerful support.
